

"(a) Every child in this State entering kindergarten in the public schools shall receive a health assessment. The health assessment shall be made ~~between the first of January prior to school entry and no more than 12 months prior to the date of school entry.~~ No child shall attend kindergarten unless a health assessment transmittal form, developed pursuant to G.S. 130A-441, indicating that the child has received the health assessment required by this section, is presented to the school principal. The medical provider, or the parent, guardian, or person in loco parentis, must present a completed health assessment transmittal form to the principal of the school on or before the child's first day of attendance. If a health assessment transmittal form is not presented on or before the first day, the principal shall present a notice of deficiency to the parent, guardian, or responsible person. The parent, guardian, or responsible person shall have 30 calendar days from the first day of attendance to present the required health assessment transmittal form for the child. Upon termination of 30 calendar days, the principal shall not permit the child to attend the school until the required health assessment transmittal form has been presented."

**Sec. 11.** Part 2 of Article 8 of Chapter 130A is repealed.
